

ARLINGTON ALERT

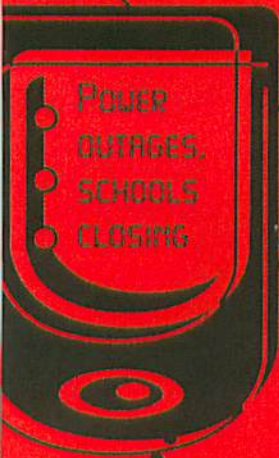

# ARLINGTON ALERT:

**FREE**

**State-of-the-Art  
Emergency  
Messaging from  
Arlington County**

In an emergency,  
Arlington County  
wants to send you  
Arlington-specific  
information - fast!

**ARLINGTON ALERT:** sends text messages within seconds to pagers, cell phones and e-mail. It's the best way to receive emergency information and critical safety messages when you need them most. During Hurricane Isabel, even during power outages, **Arlington Alert** worked perfectly.

You can choose which alerts to receive and make changes any time.

**TO SIGN UP, AT NO COST,**  
go to **[www.arlingtonalert.com](http://www.arlingtonalert.com)**.  
**Alerts are available in Spanish, too.**

**SUBSCRIBE TODAY –**  
don't wait until you need it!

A message from Arlington County's  
Office of Emergency Management.
